## PROFILE

As Managing Director of ANJ Group, Ashok Kularia brings over two decades of experience in the Corporate Design and Build sector, with a proven track record of delivering innovative workplace solutions. His deep commitment to quality craftsmanship, combined with sharp business acumen, has been instrumental in driving the company's success. A graduate in Engineering from Mumbai and an alum of MIT Sloan's Advanced Management Program, Ashok is known for blending strategic foresight with operational expertise, ensuring excellence across all projects.

Under his leadership, ANJ Group has grown significantly over the past two decades, expanding its footprint across India and evolving into one of the country's leading design and build firms. Ashok's ability to foster long-lasting client relationships and execute complex projects has solidified his role as a key driver behind the firm's remarkable growth and continued success.
